PRESIDENT: All provisions of law relative to procedure having been complied with, the question is whether LB 120 shall pass? With the emergency clause. All those in favor, vote aye, opposed, vote no. We're voting on LB 120 with the emergency clause attached. Please record your vote. Have you all voted on LB 120? Please record your vote if you wish to vote. Have you all voted? Question is shall it pass with the emergency clause. Have you all voted? Have you all voted? Clerk will record. Senator Warner.

SENATOR WARNER: Point of order, Mr. President.

PRESIDENT: Yes, state your point.

SENATOR WARNER: How do I have to vote so I can move to reconsider to put the emergency clause? There are some things that have been said to the members on this floor relative to this bill that I just learned a few minutes ago which was untrue and I guess I'm going to have to spell it out. So I'll have to move to reconsider. I want to know how to do it.

PRESIDENT: I suppose that if you want to place, you're in a position for reconsideration, you'd have to change your vote if...

SENATOR WARNER: I'm voting no.

CLERK: Senator Warner changing his vote from yes to no, Mr. President.

PRESIDENT: We have not had a roll call vote yet, which you, which can be requested. A roll call vote, then, has been requested on the passage of LB 120 with the emergency clause attached. And please have all members check in to the front of the board at the present time. And members, please take your seats and the Chair must call attention to the press row up here in front. We're having an awful lot of flak and disturbance during Final Reading, the Clerk is disturbed and distracted and please keep quiet up here. If members will please check in and record their presence, we'll know that everybody's here. Then we'll proceed with the roll call vote on LB 27. (LB 120). Presumably, everyone's on deck today so if everybody would check in, we'll proceed with Final roll call vote. Senator Haberman and Labeledz, would you record your presence, please? Senator Schmit here? Senator Higgins, would you record your presence? Forty-nine members present, we'd have quiet in the Chamber, please. Quiet in the Chamber for calling the roll. Proceed with roll call vote on LB 27. The question is shall the bill pass with the emergency clause attached?
